Proposal Section

State

Proposal 2026-1
A proposal to convene a constitutional convention for the purpose of drafting a general revision of the state constitution

Shall a convention of elected delegates be convened in 2027 to draft a general revision of the State Constitution for presentation to the state's voters for their approval or rejection?

☐

Yes

☐

No

Proposal 2026-2
A proposed initiated law to prohibit campaign contributions from certain regulated utilities and government contractors and apply campaign finance laws and regulations to additional types of political communications

The proposal would:

- Prohibit regulated electric and gas utilities, contractors with over \$250,000 annually in government contracts, and people and organizations with substantial connections to these utilities/contractors from making direct or indirect campaign contributions to those who run for or hold offices that impact them.
- Expand laws regulating spending on political communications, including those requiring disclosing donor information, to apply to communications clearly identifying candidates or ballot questions, even if they do not expressly advocate voting for/against them.
- Expressly apply the law requiring disclosure of who paid for political communications to internet political communications.

Should this proposal be adopted?

No

Authority

Renewal of Oakland County Zoological Authority Millage in Support of the Detroit Zoo
Oakland County Zoological Authority

In 2008 and 2016, pursuant to Public Act 49 of 2008, Oakland County voters renewed a 10-year property tax millage to fund zoological services through the Oakland County Zoological Authority, supporting animal care for more than 2,000 animals and 200 species, educational and senior programs, and facility maintenance at the Detroit Zoo.

To continue providing these services, the Authority seeks to renew and restore the millage to the original voter-approved rate of 0.10 mill (10 cents per \$1,000 of taxable value). This proposal would renew the millage at 0.0927 mill and restore the remaining 0.0073 mill that was reduced due to required rollback, for a total authorized rate of 0.10 mill on taxable real and personal property for ten (10) years.

If approved, the millage rate would be unchanged from those approved by voters in 2008 and 2016. Funds will be disbursed to the Authority and transferred to the Detroit Zoo as permitted by law. All funds are subject to annual independent audits. It is estimated that \$8,831,012 will be collected in the first year.

Ballot Question:
Do you approve the renewal and restoration of the levy of 0.10 mill on all taxable property in Oakland County for a period of ten (10) years, from 2028 through 2037?

☐

Yes

☐

No

Millage Proposal
**Southeast Michigan Public Historical Museum Authority
County of Oakland
State of Michigan**

The Southeast Michigan Public Historical Museum Authority ("Authority") is a joint authority established by Wayne and Oakland Counties ("Counties") pursuant to Michigan Public Act 321 of the Public Acts of 2000, as amended, and was formed to support the Charles H. Wright Museum of African American History, Detroit Historical Museum, Dossin Great Lakes Museum, and other public historical museums located in Wayne and Oakland Counties ("Historical Museums") that provide historical museum services for students, residents and visitors of the Counties. The law allows the Authority to seek authorization from the electors in each of the Counties to levy a tax of 0.2 mill (20 cents per \$1,000 of taxable value) on taxable property to provide revenue for Historical Museums.

It is estimated that if approved and levied, this new millage on all taxable property located within Oakland County would generate approximately \$17,733,800 in 2026.

In addition to supporting the Charles H. Wright Museum of African American History, Detroit Historical Museum, and Dossin Great Lakes Museum, 15% of revenues received by the Authority from taxable property in Oakland County, after Authority administrative expenses, will be disbursed to the County of Oakland for the purposes of supporting Historical Museums in Oakland County.

Shall a 0.2 mill tax on all taxable property located within Oakland County be imposed by the Authority for a period of ten (10) years, being years 2026 through 2035, inclusive, to provide historical museum services for the benefit of the residents of the Counties?

☐

Yes

☐

No

Township

Township Facilities Bond Proposal

Shall the Charter Township of Bloomfield, Oakland County, Michigan, borrow an amount not to exceed Fifty Million Dollars (\$50,000,000) and issue its general obligation unlimited tax bonds in one or more series for the purpose of acquiring, constructing, furnishing and equipping Township Facilities, including (1) a Fire Station and (2) a Township Police Department building, and conducting all other site work as necessary or advisable, purchasing equipment, and appurtenances necessary or incidental to these projects?

The maximum number of years each series of bonds may be outstanding, exclusive of refunding, is 20 years; the estimated millage that will be levied to pay the proposed bonds in the first year that the levy is authorized is 0.2350 mills (which is equal to \$0.2350 per \$1,000 of taxable value of real and personal property in the Township); and the estimated simple average annual millage that will be required to retire the bonds is 0.4380 mills.

Yes

☐

No

Local School District
School Facilities and Safety Improvement Bond Proposal
**Birmingham Public Schools
County of Oakland
State of Michigan**

Shall the Birmingham Public Schools, County of Oakland, State of Michigan, borrow the sum of not to exceed Two Hundred Forty Million Dollars (\$240,000,000) and issue its general obligation unlimited tax bonds, in one or more series, for the purpose of paying for the cost of the following projects:

- Enhancing school safety and security, including security camera systems, an emergency notification system, emergency radios, backup generators, and fire alarms;
- District-wide heating and cooling improvements, playground improvements addressing accessibility for students with disabilities and remodeling, equipping, re-equipping, furnishing, re-furnishing school buildings and other facilities, including the upgrade and expansion of the Midvale Early Childhood Center;
- Acquiring and installing instructional technology infrastructure and equipment, including career and technical education equipment, in school buildings and other facilities; and
- Erecting and completing additions to and preparing, developing, and improving sites at school buildings and other facilities and the purchase of school buses?

The annual debt millage required to retire all bonds of the School District currently outstanding and proposed pursuant to this Proposal is expected to remain at or below 3.80 mills which is a 0.00 mill increase from the annual debt millage levied in 2026. The maximum number of years any series of bonds may be outstanding, exclusive of refunding, is not more than twenty (20) years; the estimated millage that will be levied to pay the proposed bonds in the first year is 0.84 mills (which is equal to \$0.84 per \$1,000 of taxable value); and the estimated simple average annual millage that will be required to retire each series of bonds is 1.30 mills annually (\$1.30 per \$1,000 of taxable value).

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, repair or maintenance costs or other operating expenses.)
